The Department of Canadian Heritage is committed to providing Canadians with effective and accountable management of federal policies and services related to local arts and heritage and attaches great importance to measuring progress towards expected results of its programs, policies and initiatives. For this reason, it is important to know how events and activities funded under the BCAH program achieve the following expected results:

- **Increased citizen participation in community festivals, events and activities;**
- **Increased opportunities for local artists and artisans to engage with their communities; and**
- **Increased exposure to local historical heritage.**

The Department evaluates the outcomes and monitors the effectiveness and impact of the BCAH program through a compilation of statistical data obtained from completed final reports.

As stated in your Grant Letter, completing the final report is a condition for receiving future financial assistance from the BCAH program.
